Title: **HOW TO SET A CAPS EXAM PAPER**

Presenter: ANDREW GILFILLAN

St. Anne's Diocesan College, Kwazulu Natal

Target audience: FET Mathematical Literacy educators, Heads of Department

Motivation for session: This year is the first year that CAPS exam papers will need to be set and this session will go through how to set a taxonomy-balanced Grade 10 exam paper using computer-based tools and a unique CD of past questions (for FREE!).

Content of workshop: Being part of an authoring panel for the Via Afrika Mathematical Literacy textbooks I have had to set exam papers based on the CAPS document.

Proposed time allocation for workshop activities

10 mins	Presentation
20 mins	Discussion
