

AMESA (Western Cape) invites Mathematics teachers to attend its **Regional Conference** and **Annual General Meeting** at the **Cape Teaching and Leadership Institute, Kuils River**, on **Saturday 5 November 2011**

●●● **To attend, please read instructions below – DO NOT press Reply key** ●●●

Free of charge for AMESA individual and institutional members – R100/head for non-members, or to join

Plenary talk by **Alwyn Olivier**
(Research Unit for Mathematics Education, University of Stellenbosch)

Problem solving, or not?

*in which he will analyse, and give examples at different levels,
of how our question formulation helps or hinders problem solving*

This conference will also give teachers an opportunity to engage with academics and education specialists on the latest methodologies, developments, and research in mathematics education in South Africa

See programme overleaf for topics
