

Vacant post: Rhodes University

The Department of Mathematics (Pure & Applied) has a vacancy for a 3 year contract Junior Lecturer/Lecturer.

The appointee will teach MAT1L, which is a course for students in the Faculty of Science with a weak background in Mathematics. The appointee will also run additional classes for students who struggle with other first year Mathematics courses.

Further details about the post and the application procedure are given at:

http://www.ru.ac.za/jobs/currentvacancies/academic/name_119296_en.html

The closing date is Monday, 13 October 2014 at 12:00.

Prof Nigel T Bishop
Head: Department of Mathematics (Pure & Applied)
